Taranaki Race Walking Club Open Walks June 3rd 2017

Another year, another fantastic day, more great walking, yet more fabulous support.

Big big thankyou to all members and family of the TRWC for your time, effort and enthusiasm into ensuring this event runs smoothly and efficiently. The event would not be the success it is every year without the support from you all.

As promised, by the great weather prophet, a fine morning welcomed travellers and locals alike. Some might have suggested that a wind abatement notice could have been issued but we all know the Wellingtonians.

The RWNZ championship was not strongly supported this year with only 3 competitors. Eric being the only male. Jacqui W and Terri G the two women competitors. They all had great support from the 10k ers for the majority of their walks but it must have been difficult for them to continue the last 5km with only 6 walkers total still on the course to keep them company.

Some nice racing inside racing happening on the course today. There were several distinct groups of walkers racing each other even though they were competing in different sections. Seven walkers finished in a 4 minute band with a further 4 walkers a few minutes in front of them in a slightly faster 2 minute band which made for some interesting tests to willpower, strength into the wind and determination to beat a rival across the line.

The battles for the Campbell and Trevor Suthon Cups were pretty intense and very close. Congratulations to all competitors for the great racing, especially those that travelled up from the windy southern regions. We loved having you all here! Thankyou to the Judges and event officials for your time and skills to support all our Racewalkers today.

Results are as follows.
